

The image displays a variety of industrial filters. In the background, there are two large cylindrical air filters with pleated media, one with a white pleated media and the other with a blue pleated media. In the foreground, there are several smaller filters: a blue cylindrical fuel filter labeled 'Donalson BLUE DBF5782', a white cylindrical fuel filter labeled 'Donalson DBL7345', a black cylindrical oil filter labeled 'Donalson TOP SPIN HD', a white cylindrical fuel filter labeled 'Donalson P555686', a black cylindrical fuel filter labeled 'Donalson P551011', a small white cylindrical fuel filter labeled 'Donalson P554071', and a small orange cylindrical fuel filter labeled 'Duramax'. There is also a black spin-on filter and a small black cap. The RE logo is prominently displayed in the bottom right corner.
