## NEWSLETTER

January 2023

### RICO Europe Newsletter – January 2023

#### Happy New Year to you all!

We hope you had an amazing festive break and an even better New Year.

In this issue we have some new products from Sealey which could be of great benefit to you.

We have been working extensively in the background adding more and more filters to our cross-reference database.

We have also been researching and adding new machines to our machine search database meaning we have more kits available to you for some of the newer machines out there.

This year we will also be looking to revamp our website, making it mobile optimised so you find it even easier to find the filters you require.

#### In this issue

- Sealey Products
- January Sales
- Groundcare Machines
- RE Fleet Manager
- Blog
- Reviews
- Case Studies.

# Sealey Products

Providing almost 12,000 product lines designed for use in the trade, Sealey is highly respected as a leading brand by professional workshop users and individual customers.

## Breathe better with T.R.A.P technology

Moisture meets its match with Donaldson's T.R.A.P breather technology.

Donaldson T.R.A.P Breathers collect and eject moisture from your holding tank which means you won't need to change your breather as often due to water saturation unlike other desiccant filters.

## Reviews

We thought we'd share some of our favourite reviews we received in 2022.

*"The filters left England on Oct 18th and arrived on my doorstep in Maine, USA on Oct 19th.*

*"I don't even know how that was possible, but it sure is lightning-fast shipping.*

*"I haven't tried the filters yet, but they look correct, I'm just in awe of how fast they arrived so I had to leave a comment."*

**Ebay Customer
