➤➤➤ NEWS: INTRODUCING RICO EUROPE'S NEW OIL FINDER TOOL!

We are thrilled to announce the launch of our latest innovation designed to make your machinery maintenance easier and more efficient—our brand-new Oil Finder tool.

This free service is tailored to help you quickly and easily locate the right lubricants for your Plant and Agricultural Machinery.

No more guesswork or lengthy searches; with our Oil Finder, you can get the right information in just a few clicks.

KEY FEATURES OF THE OIL FINDER TOOL:

COMPREHENSIVE COVERAGE

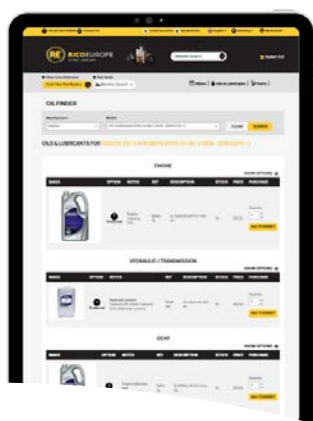

Access our entire range of lubricants with support for thousands of machine applications.

REAL-TIME STOCK LEVELS

Check current stock availability to avoid any downtime.

ALTERNATIVE OPTIONS

Discover secondary lubricant choices that can be used if your first option isn't available.

Not only will you find the correct lubricant, but you'll also get details on alternative options, stock levels, and application information—everything you need in one place.

We believe this tool will be a game-changer for anyone managing plant and agricultural machinery, helping you keep your equipment running smoothly and efficiently.

EVENTS

A huge thank you to everyone who participated in and supported The Tom White Trophy 2024!

We're incredibly proud to have sponsored this fantastic event. With over 50 teams competing and around 400 people in attendance, the day was a tremendous success!

An incredible £66,000 was raised for the Warwickshire and Northamptonshire Air Ambulance and other local charities—an amazing £31,000 more than last years event!

We're thrilled to be part of such a wonderful community effort.
